Hayworth Garden units are priced from \$79,500

Hayworth Garden condominiums are one-, two- and three-bedroom units priced between \$79,500 and \$156,000. In West Hollywood, the project features an interest rate of 9.875% the first year and 12.875% the second through fifth year. There are no payments until 1981.

The units have high-coved ceilings, hardwood floors

and the building has a spa and recreation room.

Maintenance fees are approximately \$99 and all utilities are included.
